

Tennessee Boiler Safety Fall Conference

Boiler Safety: Everyone's Responsibility

Nashville, TN • Millennium Maxwell House Hotel • September 9-11, 2008

Hello,

The Tennessee Boiler Safety Conference Committee is proud to announce the 6th Annual Tennessee Boiler Safety Fall Conference. As with every conference, following the reception on the 9th, the meetings and training sessions on the 10th and 11th have been opened to members of industry. We are looking forward to individuals from various insurance, repair, manufacturing and operation companies to be attending the conference.

The agenda for Wednesday and Thursday will be filled with meetings and training beneficial to all in attendance. Starting off on Wednesday, everyone will have the opportunity to attend the quarterly meeting of the Tennessee Board of Boiler Rules, followed by training that will be conducted by respected speakers of our industry. Training will continue Thursday morning with an in-depth session on the NBIC and its structure, plus more training covering the inspection and operation of boilers and pressure vessels.

This year's conference will be held at the Millennium Maxwell House Hotel located in Nashville, Tennessee. For your convenience, below you will find the contact information for the Millennium Maxwell House. Also to the right you will notice a tentative agenda of the conference meetings and training sessions.

The theme of this year's conference is: "**Boiler Safety: Everyone's Responsibility.**" Let's all get together again for another successful conference promoting boiler and pressure vessel safety here in Tennessee. I hope to see you in September.

Sincerely,

A handwritten signature in black ink that reads "A.E. Rogers".

A.E. Rogers
Interim Chief Boiler Inspector
